Amount spent on Health Programmes

2365. SHRI TINDIVANAM G. VENKATRAMAN:
SHRI J. S. RAJU:
SHRI MISA R. GANESAN:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the National Health Programmes are being implemented in the States;

(b) if so, what is the amount spent on these programmes; and

(c) what are the impending schemes for implementation in the Eighth Five Year Plan for health and family welfare?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) Yes, Sir.

(b) Outlays during 1993-94 for Centrally Sponsored Schemes:

	(Rs. in crores)
Health	280.75
Family Welfare	1189.87

(c) The major thrust areas indentified for development in the 8th Plan inter-alia include consolidation of the primary health set-up in the rural areas, control/eradication of major communicable and non-communicable diseases, maternal and child health, health manpower development and strengthening of the Indian Systems of Medicine and Homoeopathy. Further the health strategy initiatives have been based on containment of population growth.

Health of common man in rural Bihar

2366. SHRI BRAHMADEO ANAND PASWAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the health of common man in rural areas of Bihar is not deteriorating much more in comparison to other States due to flood and drought,

(b) what percent of rural population is not actually getting the benefits of facilities being made available by the Public Health Centres;

(c) what per cent of the budget of Public Health Centres is spent on medicines for the patients; and

(d) what are the details of State-wise budget and whether Government of India propose to start some special ambitious schemes for health care on priority basis for Bihar, if so, by when, and if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) and (b) No, Sir. The rural population of the State is benefitting from the Community Health Centres, Primary Health Centres, and Sub-Centres.

(c) As per the information received from the State Govt. Rs. 3.71 crores is allocated for medicines for primary health care. In adidtion, the Central Government provides medicines under the various National Programmes.

(d) A statement showing the State-wise allocations under Family Welfare Programmes, National Health Programmes, and under Minimum Needs Programme during 1993-94 is annexsed. (See Appendix 170, Annexure No 48) In the 5 demographically weak districts for upgradation of 5 PHCs each year in 1992-93 and 1993-94, Rs. 10,00 lakh per year have been provided.
